RITESH MAURYA

Aspiring Assistant Professor — Computer Science / Information Technology / Computer Applications

Mobile: 9305940933 | Email: mauryaritesh207@gmail.com | LinkedIn | GitHub

PROFESSIONAL SUMMARY

Dedicated MCA graduate with a strong academic foundation in Computer Science, Programming, Database Management Systems, Web Technologies, and Software Engineering. Skilled in curriculum-aligned teaching delivery, student mentoring, and academic project guidance. Proficient in Java, Python, C, DBMS, and modern web technologies, with keen interest in emerging areas such as Artificial Intelligence, Machine Learning, and Data Structures & Algorithms. Seeking an Assistant Professor / Lecturer position to deliver high-quality classroom instruction, foster student learning outcomes, and contribute to academic and research activities in a university or engineering college.

EDUCATION

Master of Computer Applications (MCA) — JSS Academy of Technical Education, Noida (AKTU)	2024 – 2026 | CGPA: 7.58
Bachelor of Computer Applications (BCA) — Ewing Christian College, Prayagraj	2020 – 2023 | CGPA: 6.77
Class XII — U.P. Board	2020 | 61.22%
Class X — U.P. Board	2018 | 73.33%

CORE COMPETENCIES & TECHNICAL SKILLS

Programming Languages: Java, Python, C

Web Technologies: HTML, CSS, JavaScript

Database: SQL, MySQL, DBMS

Core CS Concepts: Object-Oriented Programming (OOP), Data Structures & Algorithms, Operating Systems, Computer Networks, Computer Architecture & Organization, Software Engineering

Tools & Platforms: Git, GitHub, MS Office

Pedagogical Skills: Lesson Planning, Curriculum Development Support, Lab Instruction, Academic Project Mentoring, Outcome-Based Education (OBE) Awareness

TEACHING & RESEARCH INTERESTS

- Programming in C, Python & Java
- Web Technologies
- Computer Networks
- Design & Analysis of Algorithms
- Artificial Intelligence & Machine Learning
- Computer Architecture & Organization
- Database Management Systems (DBMS)
- Software Engineering
- Object Oriented Programming (OOP)
- Data Structures & Algorithms
- Natural Language Processing & Computer Vision
- Operating Systems

ACADEMIC PROJECTS

- **Hotel Management System —** Designed and developed a full-stack web application using PHP, HTML, CSS, JavaScript, and MySQL for room booking, billing, and reservation management.
- **Hospital Management System —** Built a database-driven web application (PHP, HTML, CSS, JavaScript, MySQL) to manage patient records, appointments, and staff scheduling.
- **To-Do List Application —** Developed a Python-based task management application, applying core programming logic, data structures, and OOP principles.

SOFT SKILLS & LANGUAGES

Soft Skills: Communication, Presentation, Student Mentoring, Problem Solving, Teamwork, Classroom Management, Academic Collaboration

Languages: English, Hindi
