OBJECTIVE

Motivated and enthusiastic B.Tech graduate in Artificial Intelligence & Machine Learning with a strong foundation in Computer Science fundamentals. Passionate about teaching, mentoring students, and creating an engaging learning environment. Seeking an Assistant Professor/Lecturer position where I can contribute my technical knowledge while continuously enhancing my teaching and research skills.

EDUCATION

Bachelor of Technology in Artificial Intelligence & Machine Learning 2022 – 2026
Dr. A.P.J. Abdul Kalam Technical University (AKTU), Lucknow
CGPA- 7.9 | Percentage- 79%

Intermediate 2020 – 2021
Kendriya Vidyalaya No.1 Armapur, Kanpur (CBSE)
Percentage- 89.5%

High School 2018 – 2019
Kendriya Vidyalaya No.1 Armapur, Kanpur (CBSE)
Percentage- 89.8%

PROJECTS

1. Object Detection Using ML

- Built a real-time object detection system in Python using YOLO for images and video streams.
- Designed a responsive frontend with HTML, CSS, JavaScript and Streamlit for interactive user experience.
- Optimized YOLO pipelines with OpenCV-based preprocessing in Python for faster and more accurate detection.

2. Plant Leaf Disease Detection

- Built a CNN-based plant disease detection system using Python and to classify leaf images accurately.
- Implemented image preprocessing and data augmentation to enhance model performance and reduce overfitting.
- Evaluated and optimized the model using accuracy, precision, recall, and confusion matrix metrics.

SKILLS

Programming Languages — Python, Java

Tech Stack — HTML, CSS, JavaScript, FastAPI, CNN, Computer Vision, Streamlit, Git & GitHub, Cloud Basics

Databases — SQL (MySQL, Oracle 11g), NoSQL (MongoDB)

Core Subjects — Discrete Structures & Theory of Logic, Database Management System (DBMS), Artificial Intelligence, Machine Learning, Operating Systems

Soft Skills — Teamwork, Problem Solving, Effective-Communication, Problem-Solving, Adaptability, Leadership

CERTIFICATES

- Python- Infosys Springboard
- AWS Cloud Practitioner Essentials
- OCI Certified AI Foundations Associate
- SQL- HackerRank

POSITIONS OF RESPONSIBILITY

- Electoral Literacy Club Member- Contributed to voter awareness and electoral literacy initiatives.
- Captained the school volleyball team to a Runner-Up finish in an inter-school tournament.
